Steering Committee:
Please join us in the next conference call scheduled for next Wednesday, March 14, at the usual time. I have asked Tony Petrites, AWWA, to send out the call-in number and unique conference code.

The following files are attached in preparation for our call:

- Teleconference Meeting Agenda for Wed, March 14
- Teleconference Meeting Minutes for Feb 14 meeting, updated 3-1-2018 (please check for your Action Items)
- Consolidated Contact List, updated 2-15-2018, please check for new updates

Also, please review the descriptions of proposed chapter changes emailed to you on February 15. It was suggested on the February call that we re-visit this document to determine if it needs to be updated before re-sending it to the authors.

I look forward to your valuable input on the upcoming call!

Thanks,

Doug
